Britain Trying To End Illegal Rhodesian Rule

LONDON (UPI) — Britain today appeared determined to whip Rhodesia's rebellious white government into line to forestall the possibility of Soviet infiltration of the central African country.

Prime Minister Harold Wilson cast the Rhodesian independence crisis in grave international terms Friday when he expressed concern about "a red army in blue (United Nations Berets)" in Rhodesia.

Virginia Still Has Sen. Byrd

RICHMOND, Va. (UPI) — After a lapse of only 30 hours, Virginians again had a Harry F. Byrd to represent them in the U.S. Senate. But today's version was a freshman senator while the earlier one had 33 years of Senate seniority.

Harry F. Byrd Jr., was named by Gov. Albertis S. Harrison Jr. Friday to take up where his father left off when it was announced Thursday he resigned the seat which gave him great power as chairman of the Senate Finance Committee and titular head of the Virginia Democratic organization.

The elder Byrd, 78, said age and arthritis dictated he step down for a younger man. "Little Harry," as he is called by his friends, was the logical younger man, closely resembling his father, but only 50.

Gov. Harrison said he considered many candidates for the vacancy, but that "Harry Byrd Jr. met the requirements." He added that the son came from the same mold as the father.

Russian Music Draws Noisy Detroit Protest

DETROIT (UPI) — Nearly two dozen noisy demonstrators were turned away from the Masonic Auditorium Friday night where they chanted in protest to the appearance of a Russian orchestra.

The demonstrators, who called themselves members of "Break-through," a local far-right organization, had tried to carry a flag-draped coffin to the front row of the auditorium.

Auditorium Manager Clarence W. Van Lopik, refused to let the demonstrators enter with the coffin. He was backed up by two policemen who five minutes later received nearly a dozen reinforcements.

The demonstrators then stood outside the auditorium as the crowd filed in and chanted such things as "Help murder our American boys," and "Tickets on the left for contributions to the Viet Cong."

The Russians, the Moscow Philharmonic, never saw the group. They had already entered the rear and were preparing for their performance.

Don Lohmeyer, chairman of the group, led the four pallbearers, dressed in uniforms of the four branches of the service, up the steps. Following closely was another demonstrator dressed in the grab of a clergyman, and others as widows in mourning, and children bearing flowers.

Others carried picket signs reading, "900 of our boys victims of Moscow's aggression in Viet Nam," and "USSR—A history of treachery."

After they were refused entrance with the casket—they could have entered without it—they dispersed. A car with a loudspeaker playing Taps followed another auto bearing the casket from the scene.

Plane Contract Leak Hinted

WASHINGTON (UPI) — The Defense Department, conceding the possibility there was an advance leak of information, is investigating the circumstances around the recent announcement of a \$2 billion aircraft contract award to Lockheed Aircraft Corp.

The Pentagon confirmed Friday it was conducting an inquiry into the possibility of premature release of the award of its contract for the C-5A, the largest military jet transport ever built.

Confirmation came in a letter from Deputy Defense Secretary Cyrus R. Vance to Rep. Bob Dole, R-Kan., who had asked for an investigation on grounds there was unusually heavy trading in stocks of the three companies competing prior to official announcement.

Dole said \$32 million worth of stock in Lockheed and the two losers, the Boeing Co. and Douglas Aircraft Co. Inc., were traded Sept. 29 and 30. Dole said the Dow Jones ticker had carried word of the contract award minutes before the stock market closing Sept. 30. He said in the two days before the official announcement the value of Boeing and Douglas stocks declined by several dollars.

CHATTANOOGA, Tenn. (UPI) — Federal Judge Frank Wilson, accused of bias and prejudice by James Hoffa, Friday denied a plea from a Teamster International Union President for a new jury tampering trial.

Wilson said the motion "is without merit."

The president of the nation's most powerful union was convicted here March 8, 1964, in a case growing out of a Nashville conspiracy trial.

He also had charged U.S. Marshals had supplied prostitutes to the jury which was "locked up" for the eight week trial.

Several weeks ago Wilson denounced as "patent perjury" Hoffa's charges. There have been reports there will be a grand jury investigation of affidavits submitted with the new trial motion.

Hoffa, facing an eight-year prison sentence, and a \$10,000 fine, has until early December to file a U.S. Supreme Court appeal.

He failed in his appeal to the U.S. 6th Circuit Court of Appeals last July.

This was Hoffa's third unsuccessful new trial attempt before

Tornadoes Slash Northern Illinois

CHICAGO (UPI) — Tornadoes slashed across northern Illinois and Indiana Friday night, killing one person, injuring 58 and leaving a damage toll estimated in the millions of dollars.

About 150 persons were believed homeless in the bitter chill winds churning in the tornado's wake. State, county and city police stood guard today sealing off damaged areas from potential looters.

Children were in school and housewives were preparing dinner when the skies turned black and the twisters struck. Hundreds of homes and businesses were destroyed.

"People were crawling out of the wreckage like flies," said Joseph Wozniak, a Joliet city official.

Hardest hit was the southwest edge of the Chicago area. In Channahon, Ill., Mrs. Herman Heister, 80, an invalid confined to a wheel chair, was crushed to death. Her husband,

Big Battle Kills 400 Communists

SAIGON (UPI) — Mop-up squads were wiping out pockets of red resistance today on the battlefield 35 miles north of Saigon where the 1st U.S. Infantry Division's newly arrived 3rd Brigade killed at least 400 Communists in fierce fighting Friday.

A U.S. military spokesman said Communist resistance to the mop-up operation was limited to sporadic sniper fire. Officials said it was conservative to estimate that at least 400 Communists were killed in the seven-hour battle Friday on the eastern fringes of the Communist "Iron Triangle" stronghold.

By noon today, the Americans had counted 196 Viet Cong bodies. UPI correspondent Robert Ibrahim reported from the scene that there were "plenty of other bodies in the underbrush that were not counted for fear of booby traps."

The spokesman said the American infantrymen suffered only "light" casualties, although their equipment was damaged by a mortar barrage. Several armored personnel carriers and three or four trucks were destroyed.

States Warned On Voting Rights

WASHINGTON (UPI) — The Justice Department is initiating action in three courts asking that Mississippi, Alabama and Louisiana be required to obey the provisions of the Voting Rights Act of 1965.

Department attorneys Friday filed motions in U.S. district courts at Jackson, Miss., Montgomery, Ala., and New Orleans, La., to require the states to enroll all voting applicants accepted by the federal examiners appointed under the law.

The motions were filed in connection with federal suits challenging literacy tests in the three states. In addition, the U.S. Supreme Court has agreed to hear arguments on the constitutionality of the law early next year.

Wilson, target of prejudice charges which he heatedly denied. Five days ago Hoffa was re-elected president of his home Local 299 in Detroit as factions of the union has flocked to his support.

Wilson said since Hoffa has a motion before the 6th Circuit Court and there is a petition pending before the high court "this court would be without jurisdiction to grant the motion for a new trial except on remand of the case."

Hoffa also has been convicted of fraud in the use of union pension funds.

Police said some of the crowd of 150 outside the school had been drinking. They said the fight apparently started when one of the students accused a job corpsman of taking his coat. Words were exchanged and a fight ensued.

As the group took sides, the fight spread from the gym where the dance was held, through the school where windows were broken and equip-

ment damaged.

The destruction spread to the business district and led to a mall in the downtown area. Plate glass store fronts were broken along the way and at the mall, trees were uprooted and Christmas decorations destroyed.

The incident started about 10 p.m. and police began pouring in from surrounding communities as local authorities sent out calls for help.

Other vessels swiftly answered the Yarmouth Castle's call for help.

Some Badly Injured

The Bahamas Star, a cruise ship that left Miami about the same time as the Yarmouth Castle also en route to Nassau, reported it picked up about 250 passengers and 110 crewmen. The Finnish vessel Finnulp said it rescued about 90 persons, bringing the known total saved to 450.

The Coast Guard discounted an earlier erroneous report that a third ship, the Florida, had rescued 30 persons.

The most badly injured survivors were picked up by Coast Guard helicopter from the Bahamas Star and flown to the Princess Margaret Hospital in Nassau. At 8:30 a.m. eight survivors, including five women, had reached the hospital.

The Coast Guard said it had no immediate information about the cause of the fire. First word of the fire came at 2:20 a.m. EST when the Finnulp radioed that a ship was on fire about 20 miles away and that it was going to the rescue.

Cutters At Scene

Two Coast Guard cutters, the Cape Shoalwater and the Cape Knox, also headed to the scene and an Air Force C123 from Patrick Air Force Base near Cape Kennedy flew in to direct rescue vessels to the burning ship.

The first injured arrived in Nassau at about 6 a.m. as the helicopters brought them in three or four at a time.

At Nassau, a spokesman for the Bahama Air and Sea Rescue Service said 12 badly burned persons had been picked up by the copters from the Bahamas Star and flown to the hospital.

Police traced the incident to a high school dance, to which the original 30 corpsmen had been invited. Each week 30 corpsmen are invited to the dance. School students at last night's dance numbered about 50.

Kennedy Makes Two Michigan Political Stops

ANN ARBOR (UPI) — Sen. Edward M. Kennedy, D-Mass., made two political stops in Michigan Friday, one of them to boost the reelection bid of freshman Rep. Weston Vivian, D-Mich., and the other to dedicate a new Democratic party headquarters in Lansing.

Kennedy's appearance at the 2nd District Democratic dinner honoring Vivian was another indication of the party's drive to retain four congressional seats won by Democrats in districts heavily populated with Republicans.

In Lansing, Kennedy dedicated the new party headquarters named the "JFK House" after his brother, the late President John F. Kennedy.

Kennedy singled out the young people in the crowd of 300 as those who can help carry on the tradition of his brother.

"It is young people like you who are interested and concerned about our country," he said.

Prior to the outdoor dedication of the 16-room brick home, Kennedy talked to newsmen about his recent trip to Viet Nam.

He said the war would be a "lengthy military operation, long, extended and costly."

Kennedy added, "as long as they (the Communists) feel they can make political capital in other parts of the world, they will continue the war."

"But once it appears United States policy is successful in Viet Nam there may be speedy considerations to end the war," he declared.

He said U.S. servicemen in Viet Nam don't "really care" about recent anti-Viet Nam demonstrations.

"They understand why they are in Viet Nam. They have the training, they're tough, professional and they know what has to be done and know now is the time to do it," he said.

Copper Price Boost Studied

WASHINGTON (UPI) — Administration officials were giving no hints today whether President Johnson plans a campaign against recent copper price increases.

Experts both in and out of government indicated, however, that it would be harder for the administration to bring on the copper industry pressure similar to that which resulted in a backdown this week on price boosts by major aluminum manufacturers.

Three of the four major copper producers in the United States recently raised their prices from 36 to 38 cents a pound. The copper increases were four times as high as the unsuccessful one-half cent aluminum price hike.

Gardner Ackley, chairman of the President's Council of Economic Advisers, would say only that his group was studying the copper situation.

The government has no big copper stockpile to hold over the market like its 1.4 million tons of surplus aluminum. When the administration announced plans to sell 300,000 tons of aluminum on the open market and refused to agree to any future arrangement for the rest, the aluminum companies rescinded their price increases.

But the government has only 35,000 tons of surplus copper, hardly enough with which to go breaking the market. Particularly not the present copper market, where demand for the metal far outstrips the supply.

Paul Harkonen of Rock and his wife arrived in New York City early in the morning of the big blackout there.

He wrote a friend here "We had driven through the darkened state from the time we first saw candles and lanterns and knew something was wrong. Our route took us through Harlem, down into mid-Manhattan—no traffic or street lights—people wandering around in bewilderment and tension.

"But the emergency seemed to bring out the best in human qualities and a feeling of near-hilarity when immediate problems were not pressing. To cap our trip we had to climb up to our 14th floor apartment without benefit of elevator. After so many hours of driving hilarity came hard. It will be good to get back to Michigan."

DECLINING DWELLERS

The U. S. Census Bureau finds that as of April, 1964, an estimated 12.9 million people lived on farms, a decline of 17 per cent from the number living in rural areas in April, 1960.

More people get more news from newspapers than from all other sources combined.

Press-Gazette Editor Retires

GREEN BAY — David A. Yuenger, managing editor of the Green Bay Press Gazette, will replace Leo V. Gannon, who announced his retirement as editor this week.

The announcement was made by Daniel C. Beisel, publisher. New positions of editorial page editor and associate editor will be filled by James Bartlett, the newspaper's government and political affairs reporter and columnist, and John Wynyard, head of the Press-Gazette's Madison bureau.

Gannon's retirement will be effective Jan. 1, 1966, but the appointments to the three editorial posts are effective immediately. Beisel said, Gannon, 72, joined the Press-Gazette staff in 1922 and was named editor in Sept. 1954.

Taxes Hurting State Breweries

The Michigan Beer and Wine Wholesaling Association board of directors meeting at the House of Ludington Thursday, played host to members of the Legislature enroute to a liquor control hearing in Ironwood today and reviewed their business.

Sales of Michigan wholesalers in beer and wine were 3.3 per cent ahead of the previous year at the end of the state's fiscal year on June 30, the Michigan Liquor Control Commission reported.

But if business is better, why are so many Michigan wholesalers going out of business? asked Ormand Foley, executive secretary of the Association. Taxes are the chief reason, Foley said.

In 1962 the state had 423 wholesalers, in 1963 it was down to 398, in 1964 to 363 and this year the number was down to 353. The heavier Michigan beer taxes hit in 1962.

Foley said that Ohio charges a tax on a case of twenty-four twelve ounce bottles of beer of 26 cents, with no sales tax. Indiana charges 21 cents and 9 cents sales tax or 30 cents total, Illinois charges 13 cents and no sales tax. Wisconsin charges 8 cents and no sales tax. Michigan charges 48 cents and a four per cent sales tax, or 16 cents, for a total of 64 cents a case.

The result is that while sales are up in Michigan, said Foley, they are not up proportionately with sales in other neighboring states.

All the Michigan breweries sold 341,923 barrels of beer in September of this year, the Liquor Control Commission reported, while out-of-state breweries sold 257,000 barrels in Michigan.

Only one small brewery in Michigan had a gain in September sales over a year ago. It was 12 per cent, while the largest loss was 43 per cent.

Out of state breweries reported as many losses as gains, but the biggest gain was 356 per cent.

Northern Asks \$16.9 Millions

MARQUETTE — The Northern Michigan University Board of Control approved a \$16.9-million budget for this year, adopted a \$5.8-million financing program for self-liquidating projects, and approved a \$12.7-million budget request for 1966-67 Thursday.

The board elected as a new chairman to succeed Edwin O. George, senior vice president of the Detroit Edison Co., who has served as chairman since the board was created in 1964, Ogden E. Johnson, Ishpeming, director of industrial relations of the Cleveland-Cliffs Iron Co., who is also a charter member of the board. George will continue as a board member.

The board welcomed its newest member John L. (Jack) Farley, Menominee, appointed by Governor Romney to fill the unexpired term of Lincoln Frazier, Marquette, who resigned. Farley, former Marquette resident and Michigan Bell Telephone Co. official, is manager of the Menominee Chamber of Commerce.

In adopting this year's budget, the board approved \$8.6-million in operating funds, including \$3.4-million in state appropriations, and \$8.3-million for capital outlay projects, including the science building and heating plant now under construction, and remodeling in several existing buildings.

For 1966-67, the board approved \$8.3-million for operations and \$4.4-million for capital outlay. The university is requesting a new state appropriation of \$6.9 million or \$3.5-million more than this year.

Capital outlay requests included funds for complete plans and start of construction of the learning resources center, basic instructional center, men's physical education building, and administrative services building.

The university's self-liquidating building program will fund the University Center addition, acquisition of Memorial Field, completion of the Payne-Halverson Residence Halls, and construction of the first two residence halls and food service unit of the second residential quadrangle.

The board approved plans to proceed with a financing program for construction of two additional residence halls in the new quadrangle.

Junior College Enrollment Grows

Michigan's 19 community colleges enrolled a record 61,275 students this fall. Estimates for the fall of 1966 when four additional institutions will begin operation predict a 73,221 enrollment, says the State Department of Public Instruction.

The 1965 enrollment figures follow: Lake Michigan, 2,295; Alpena, 725; Bay De Noc, 500; Flint, 6,153; Gogebic, 429; Macomb, 7,500; North Central, 460; Schoolcraft, 2,536; Delta, 3,600; Grand Rapids, 4,611; Henry Ford, 10,200; Highland Park, 2,580; Jackson, 2,295; Kellogg, 2,521; Northwestern, 1,286; Port Huron, 2,650; Lansing, 3,700; Muskegon, 3,000; Oakland County, 4,234.

MENOMINEE—A crowd of 75 angry residents has protested the proposed removal of 46 trees along 1st Street in a \$141,000 street improvement project. The city, engaged in a major renovation program along the street which includes sewers, water mains, sidewalks, curbs and paving, proposed to widen the upper end of the street by eliminating the lane of elm trees. Mayor John Reindl after hearing the comments, said: "This is a proposal and we have drafted it for the most economical job and betterment of all. Apparently, we have not done it to your satisfaction."

IRON RIVER — The Iron County Christmas Cheer agency, active for 15 years before a lapse last year, will resume its activities. Purpose of the agency is to provide Christmas gifts and joy for needy families. Joseph Nemecek, caseworker for the County Welfare department, has been named chairman.

MARQUETTE—Nicholas DeMarinus, lineman with the Marquette Light and Power Department for 13 years, has been cited for saving the life of a fellow employee by the National Safety Council. He received the council's President's Award and a \$100 savings bond for his successful resuscitation of Joseph Alexander on May 5, 1964, after Alexander has come in contact with a 7,200 volt power line.

MARQUETTE—Employees in the charcoal department of the Cliffs Dow Chemical Co. have completed a million man hours of work without a disabling injury. It was the first time in Cliffs Dow history that any department had reached that plateau, said President R. J. Jenner. The record was established from June 1, 1960, to Nov. 8, 1965. About 85 men work in the department.

ST. IGNACE — Duncan L. McMillan, 82, well-known Upper Peninsula 4-H leader, died in Mackinac County Medicare Facility of a heart attack. McMillan formerly was superintendent of the U. P. Experimental station at Chatham and also served as Chippewa County extension agent. He was one of the prime movers in 4-H club progress in the Upper Peninsula, starting the program in Mackinac County and helping to organize the 4-H camp at Chatham.

SAULT STE. MARIE—One of War Memorial Hospital's tiniest babies has grown large enough to be discharged from the obstetrical department after two months of intensive care. Paul Cruzon, son of Mr. and Mrs. Marvin Cruzon of Pickford, weighed only 2 pounds, 9 ounces when he was born prematurely Aug. 26. The baby was fed one cc of glucose and water every two hours. Gradually the amount was increased to 20 cc's and finally replaced by regular formula. At birth the baby was only 15 inches long and his arms were about as big as his nurse's fingers.

Calf Auctions Move 13,000

More than 13,000 beef feeder cattle sold for \$1,379,620 at 7 Northern Michigan and Upper Peninsula sales held in late October.

These were cooperative sales conducted by the farmers with assistance from animal husbandry specialists of the Cooperative Extension Service.

The average price feed-lot operators paid for the northern-grown calves and yearlings was \$105. The average price per hundredweight was \$24.12.

Livestock specialists at Michigan State University say this represents only a part of the potential offered by cow-calf operations in Northern Michigan and the Upper Peninsula. With acres of grass going unharvested, and the demand for feeder calves growing each year, they believe there is a great potential for new income for Michigan farmers through a calf raising program in many years.

The price paid for calves and yearlings was the highest at the West Branch and Gaylord sales, both being above 25 cents a pound. Prices tapered off for sales held in Baldwin, Alpena, Bruce's Crossing, Escanaba and Gladwin.

Gaylord with 3,674 animals and West Branch with 2,725 attracted the most buyers. Gladwin sold 493 head and many of these were of a beef-dairy cross and generally brought much lower prices than quality beef feeder animals.

Use Rare Metal

Tone Selectors "Sort Out" Sounds in New Hearing Aid

Tiny Tone Selectors using the rare precious metal TANTALUM have been developed for a remarkable new hearing aid which can be custom fitted to the individual hearing loss. They enable the aid to "sort out" sounds, emphasizing only those the person does not hear, leaving others at normal level. Aid can be re-adjusted to changing hearing loss.

The full story of this breakthrough in hearing aid design is in a new FREE BOOKLET of vital interest to anyone concerned with hearing. Come in or write for your copy today—no obligation.

Worker Priest Plan Endorsed

VATICAN CITY (UPI)—The Ecumenical Council endorsed the controversial worker priest movement today.

At a special Saturday session, the council approved revisions of a decree designed to get priests more into the world and the social community.

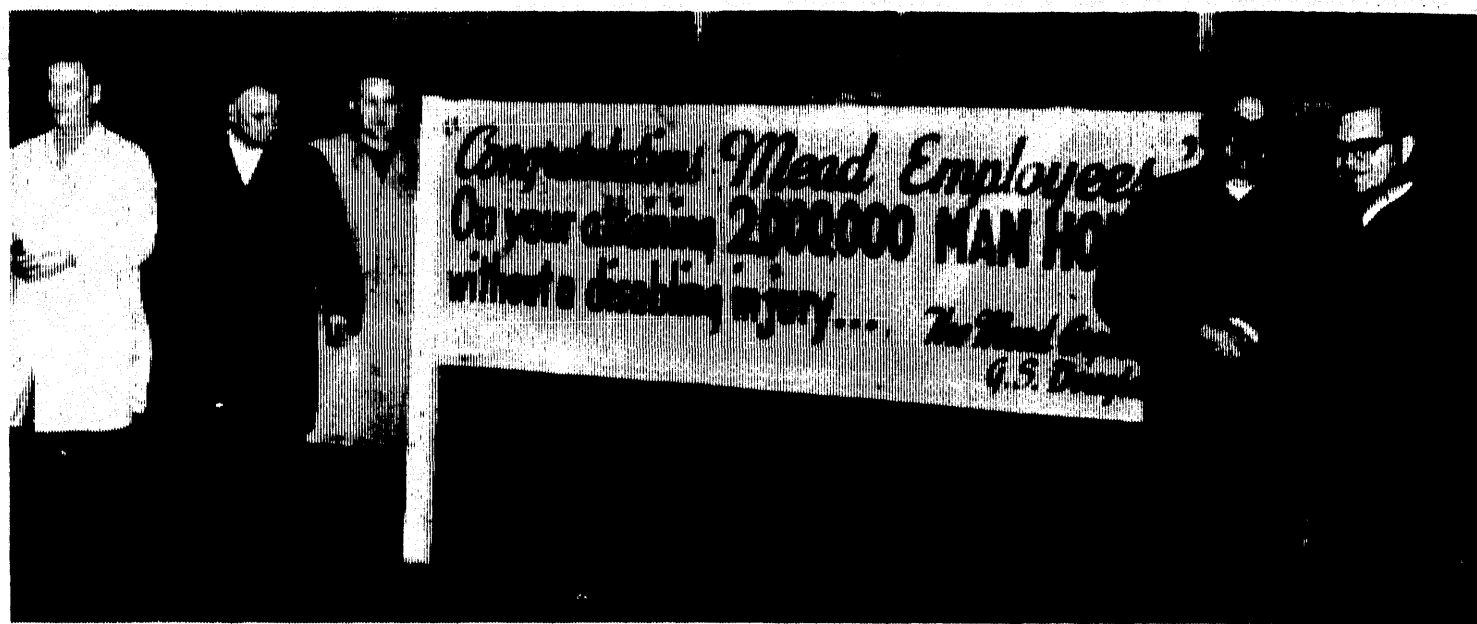

A new clause encouraged priests to move into factories to labor side by side with workers. Pope Paul VI recently threw his support behind this movement, which had fallen into some disrepute since it was first tried out in France after World War II.

Several priests in the movement became Communists rather than bringing the message of Christ to their fellow factory workers.

The new decree says priests, besides carrying on parish work and teaching activities, should "also be encouraged to work with their hands in manual labor, identifying themselves with the workers, necessarily always with ecclesiastical permission."

Scholarship

Harold Meese, dean of students of Michigan Tech., announces award of a Western Electric Fund scholarship to Robert J. Pomazal, 2835 N. 46th St., Milwaukee, a former Escanaban. The \$725 scholarship is based on academic ability. Pomazal, a senior mechanical engineering major, has a 3.82 grade point average.

EMPLOYEES OF Escanaba Division of Mead Corp. at 7 a.m. Wednesday completed two million man hours of work without a disabling injury. The record is a "first" in the safety history of the Escanaba Division of Mead. Shown in front of a sign which greeted all employees as they reported for work Friday in the rain are members of management and

labor exchanging congratulations on the joint accomplishment. From left: Robert Cavill, officer of the Pulp & Sulphite Workers Union; Einar S. Two Earthquakes Detected In Asia

NEW YORK (UPI)—The Fordham University Seismic Observatory said today it detected a major earthquake in Asia shortly before midnight Friday night. It was the second major quake detected in Asia in 10 hours.

A Fordham spokesman said first shock registered at 11:47 p.m. EST Friday night and a second shock at 11:57 p.m. The spokesman said the earthquake probably occurred in Mongolia. It registered 6.5 on the Richter Scale.

Firemen Watch As House Smokes

GRAND RAPIDS (UPI)—Firemen turned spectators at the home of Henry Sczarnowski when smoke started pouring through the house Friday night. A new automatic range burning grease was supposed to shut itself off when the grease was gone. It wouldn't quit and firemen just had to watch the smoke pour out until the cycle ran out.

Garden Circle Organizes

The Evening Circle of the Women's Fellowship of the Congregational church held an organizational meeting Tuesday night, Oct. 9, at the home of Mrs. Doris Forhart. Officers elected were: president, Mrs. Doris Forhart; secretary-treasurer, Mrs. Richard Wertanen; material aids, Mrs. William Ward; spiritual aids, Mrs. Dale Carley; social concern, Mrs. Bernard Bodette; Christian education, Mrs. Kent Peterson; stewardship, Mrs. Earl Ansell; Christian world missions, Mrs. Larry Lundell. Regular monthly meetings will be held the first Thursday of each month at 8 p.m.

The first activity of the group will be a Christmas party Dec. 18, at the home of Mrs. Neil McShane and each member will bring a guest.

A report on the recent bazaar sponsored by the Fellowship was given by Mrs. Ossie Hazen, chairman of the event. The first regular meeting of the circle will be held on the first Thursday in January.

Mr. and Mrs. Kenneth Ralph and children Michael and Rose Ann of St. Clair Shores spent the weekend with relatives in Garden and visited with his mother, Mrs. Doris DesRocher who is a patient at Schoolcraft Memorial Hospital in Manistiquie.

Sisters Change To Navy Blue

BETHESDA, Md. (UPI)—The 7,300 sisters of Mercy of the Union in the United States will exchange the habits their order has worn for 135 years for blue ones regarded less cumbersome in their work and less an "odddity."

The order said Thursday the new habit will be a navy blue one-piece dress with a belted waist and gore skirt extending to mid-calf. They will replace the cumbersome headresses, white starched collars and long, flowing ankle-length black robes.

The uniform will be complemented with white sharkskin cowl collar, black stockings and shoes and a close-fitting white dacron cap. The dress will have full-length inverted pleats in front and back.

Announcement of the change, recommended by Pope Paul VI, was made Thursday by the order's headquarters here. The sisters are part of a world-wide order dedicated to teaching, nursing and social service. They serve 30 hospitals and 10 colleges in the United States.

WRITTEN FOR HIM

The play, "Cyrano de Bergerac," was especially written for the French actor, Benoit Constant Coquelin, who became popular in the United States in the title role.

Snow Forecast Tonight:

Record Numbers Plunge Into U.P. Deer Season

Record numbers of deer hunters crept into Upper Peninsula forests on a cold, bleak morning today for the start of the 1965 season.

One of the first deer kills was reported by Henry Gustafson of Rapid River, who bagged an eight-point buck at 8 a.m. while hunting near Perkins.

Authorities at the Mackinac Bridge said 18,211 vehicles

crossed the bridge Friday, easily breaking the one-day record of 15,519 set Aug. 16, 1958.

Of the total, 17,502 were north-bound into the U.P., most of them deer hunters.

Since Thursday, 30,640 cars have poured into the Peninsula compared with only 23,035 in 1964.

Conservation officers estimated about 75,000 hunters from lower Michigan (on the basis of 2.5 hunters per car) took advantage of the early Upper Peninsula opening. Deer season in Lower Michigan opens next Saturday.

Officers reported hunting conditions were generally good throughout the Peninsula today despite lack of tracking snow, and that hunter populations in many areas were well above that of last year.

Due to Friday's all-day rain, however, many hunters experienced difficulty on secondary

roads. Conservation officers said many roads were muddy and some were impassible to normal automobile traffic.

There was no more rain forecast for the weekend.

The U.S. Weather Bureau at Escanaba reported temperatures will range between an expected low of 26 tonight and a high in the upper 30's Sunday.

Snow accumulating to one inch was predicted by Sunday morning.

State Police of the Gladstone Post said traffic was extremely heavy west-bound from St. Ignace all day Friday, but no serious accidents were reported.

One deer hunter, however, was reported lost for several hours Friday afternoon.

Troopers said Louie Buescher, a 50-year-old deaf-mute from Detroit, was reported missing while searching for a place to hunt in Section 1, Cornell Township, about 3:55 p.m. Friday.

Officers said he was located by two members of his hunting party when he started to pound on an old shovel, he had found in the woods, with his hatchet.

Conservation officers reported four men were arrested Friday for hunting before the season. They were not immediately identified.

Moose And Deer Hunt Causing License Mixup

TORONTO — Party hunting among deer and moose hunters appears to be the subject of some confusion, says A. Kelso Roberts, minister of lands and forests.

Inquiries from hunters generally relate to the area south of the French and Mattawa rivers which is recognized as the southern deer range. During the past 15 years, a considerable moose population has built up in this area, particularly in Haliburton, Muskoka, Parry Sound and southern Nipissing districts. It is this area, too, that party hunting has traditionally taken place from deer hunting camps located on government lands and from summer cottages now used as deer camps.

The party hunting rule is this: if a number of hunters, each with a deer license, is hunting as a party, any member of the party may shoot up to the number of deer covered by licenses within the group. Similarly, if a number of hunters, each with a moose license, is hunting as a group, any member of the party may shoot up to the number of moose covered by licenses in the group.

The confusion appears to arise, because some hunters believe that if the deer hunting party each has his deer license, then all that is necessary is to have one or two moose licenses to cover what moose might be taken by what is primarily a deer hunting party. It is an offense, however, for any person to shoot a moose who does not actually have his own moose license. A member of a deer hunting party cannot shoot a moose on behalf of some person in the group who has a moose license.

PHYSICIST William M. McLean, who developed the Sidewinder air-to-air guided missile, says this two-man glass bubble will be ready for ocean diving tests next summer. It is capable of going down 38,000 feet into the deepest trenches of the Pacific. McLean, stationed at the Navy test station in Pasadena, Calif., says he chose glass because it is stronger under pressure than either steel or titanium. (AP Wirephoto)

With The Deer Hunters

(EDITOR'S NOTE: The Daily Press welcomes contributions to "With The Deer Hunters" throughout the deer hunting season. Notes and anecdotes on the hunt can be mailed to the Daily Press or telephoned to ST-6-1021.)

Hunting out of Ed Therrian's "Moonlight Lodge" at Watson are Bob Therrian, Rene Therrian, Don Cousineau, Bill and Steve Rodman and John Mroz.

Mike Noyes, Rte. 1, Escanaba, shot a three-point buck at 10:30 a.m. today while hunting at Ford River. The deer weighed 140 pounds.

Guests of Chuck and Lorraine Johnston at Brookview Lodge at Old Kates are Al Behrendt, Don Cox, Ed Golecki, Tracy Golecki, and Bert Longhorn of Detroit, Elmer Eberle, Royal Oak, Ruth Wanger, Springfield, O., Ray, Helen, Pat and Ricky Bero and Bill and Shirley Dunstan of Gladstone and Kenny Lequia, Al Malmstead and Jerry Horschner of Escanaba.

Other Upper Peninsula students honored were: Daniel D. Jack, Crystal Falls, psychology, summer term; Dennis J. Skog, Iron Mountain, marketing, spring term; Eugene Passamani, Iron River, pre-professional, spring term; Jane Granskog, Stephenson, anthropology, spring term.

Menace Gone At Baton Rouge

BATON ROUGE, La. (UPI)—The old and the sick, all who could not flee this peaceful Mississippi River city if it had been necessary, began returning today, the object of their concern 20 miles down river.

About 600 of them were evacuated before a \$1 million operation started Friday to remove a barge loaded with 602 tons of liquid chlorine from the river. Hurricane Betsy had put the barge 60 feet to the bottom two months ago.

Two months in the planning, a giant derrick raised the barge to the placid river surface in less than two hours. Experts inspected the vessel and its four steel chlorine tanks then gave the all clear about noon.

Throughout the time the barge lay beneath the muddy Mississippi, the city was threatened by the possibility that the chlorine would escape and form a deadly gas like that used in World War I.

When the barge reaches Wyandotte Chemical Co. docks at Geismar, the liquid chlorine will be taken from the four tanks. Then the craft goes into drydock for overhaul before returning to regular river service.

Woman, 39, Shot As Men Scuffle Over Shotgun

GRAND RAPIDS (UPI)—Mrs. Naomi Gilbert, 39, was critically wounded early today when shot in the back as a shotgun discharged during a fight between two men who were grappling for the weapon at a party.

Police withheld the name of the assailant pending his arrest. Capt. Ed Szumski of the police department said Mrs. Gilbert had just walked into the room as the two men fought for control of the shotgun and it went off during the scuffle.

Buys Station

Red Owl Stores wholly-owned subsidiary, Radio Suburbia, Inc., has entered into an agreement to purchase the assets of radio station WEBC in Duluth, from WMT-TV, Inc. of Cedar Rapids, Iowa.

Red Owl recently purchased WNAX in Yankton, S. D., and has owned KRIS in Minneapolis since 1961.

Six Peninsulans Honored At MSU For All-A Grades

EAST LANSING—Six Upper Peninsula students, including one from Bark River and another from Manistiquie, are among 433 students honored by Michigan State University for achieving all-A records in spring or summer terms.

Names of the students have been inscribed on the All-A honor roll, which offers "recognition of the highest attainment of scholarship." The students were also honored at a dinner given by Dr. John A. Hannah, MSU president.

Michael Lindquist, Rte. 2, Bark River, received all-A grades in the spring term in agricultural science, while David Desautel, Rte. 1, Manistiquie, achieved all-A's in the summer term. His major is mathematics.

Other Upper Peninsula students honored were: Daniel D. Jack, Crystal Falls, psychology, summer term; Dennis J. Skog, Iron Mountain, marketing, spring term; Eugene Passamani, Iron River, pre-professional, spring term; Jane Granskog, Stephenson, anthropology, spring term.

Fire Postponed

HONOLULU (UPI)—Plans for a "Conflagration on Campus," which might have led to draft card burning at the University of Hawaii, were rained out Friday.

Peter Lombardi, head of the student group sponsoring the conflagration, announced that the event in front of the ROTC building was postponed indefinitely because of the storm.

War On Poverty Must Be Won, Shriver Declares

BATTLE CREEK (UPI)—R. Sargent Shriver, director of the War on Poverty and the Peace Corps, said Friday there can be no victory in Viet Nam "if we lose the war on poverty" in this country.

"People all over the world want human dignity and the chance to improve their lot," Shriver said. "With the assistance of business, labor, volunteers and old people we can win the (poverty) war at home."

Shriver was here for the dedication of the Fort Custer Job Corps Center. About 700 young men, from 16 to 21 years, are receiving educational and vocational training to prepare them for employment and an estimated 1,500 will be enrolled at the center by early next year.

Shriver said the first order of importance for all young people is to enter economic life. And, he said, the Job Corps is the best opportunity to do that.

Concert

MARQUETTE—The Guarneri String Quartet will present a concert of chamber music at Northern Michigan University Monday at 8:15 p.m. in the Little Theater. There is no admission charge.

Fuel Familiar

LAKE WORTH, Tex. (UPI)—B. E. Conley went to a pep rally and bonfire for a weekend high school football game and saw something familiar being fed into the blaze.

"I saw my redwood picnic table and bench, my front door and part of my porch," Conley told police.

Coleman Rites To Be Monday

MARQUETTE — A solemn requiem High Mass will be held Monday at 11 a.m. (EST) at the Church of St. John the Baptist, for Fr. Thomas B. Coleman, who died Thursday.

The vicar general of the Marquette Diocese, Rt. Rev. Msgr. Nolan B. McKevitt will officiate in the absence of Bishop Thomas L. Noa, who is at the Vatican Council meeting in Rome.

Deacon of the Mass will be Fr. Norbert Landreville of Moran, with Fr. David LeLievre of Marquette as sub-deacon and Fr. William Richards of Ewen as master of ceremonies. Fr. Raymond Moncher of Marquette will deliver the sermon.

Fathers Landreville, LeLievre and Moncher were diocesan classmates ordained with Father Coleman. Other classmates from downstate and clergymen who were born in Marquette like Fr. Coleman will be honorary pallbearers.

The body is to be taken from the Tonella Funeral Home Sunday at 3 to St. John's, the "home" parish of the priest. A liturgical service is planned for Sunday evening.

Burial will be in Holy Cross Cemetery, Marquette.

Born in Marquette and ordained in 1958, Father Coleman assisted at St. Gregory's of Newberry for a year, at St. Peter's Cathedral (where he also directed the choir) for more than three years, and at St. Patrick's of Escanaba, for two years, before being named pastor of Sacred Heart parish, Painesdale, last June. His services in Escanaba will be remembered in a Holy Name Scholarship Foundation memorial musical scholarship.

There will be a meeting of the Democratic Women's Club Monday evening at 8 p.m. at the home of Ann Villeneuve, 1825 3rd Ave. S. Members will work on Christmas sale items.

The Equitable Reserve Association will hold its regular meeting at 8 p.m. Monday at the home of Mrs. John Schis, 513 S. 17th St.

Women's Activities

Janice Sheski Bride Of Stewart Hamacher

St. Mary's Catholic Church in Hermansville adorned with bouquets of white gladioli and bronze mums was the setting Saturday, Oct. 23, for the wedding of Janice Marie Sheski and Stewart Thomas Hamacher. The Rev. Father Gervase Brewer officiated at the 1 p. m. double ring nuptials. Traditional wedding music was provided by Mrs. Frank Rodman at the organ and by the St. Mary's Choir. The bride is the daughter of Mr. and Mrs. Frank Sheski of Hermansville. The bridegroom's parents are Mrs. Jerry Clifford Cunard and the late Willard Hamacher. A reception was held for 300 guests at the American Legion Hall in Hermansville from 4 to 8 p. m.

Mrs. Stewart T. Hamacher

White Satin
The bride wore a floor length gown of white satin trimmed with alencon lace and seed pearls. It was fashioned with long tapered sleeves and a bouffant skirt which flowed into a swallow train. Her elbow length veil was of silk illusion and she carried a bouquet of orchids and carnations. Judy Matts was maid of honor for her cousin and bridesmaid was Dawn Hamacher, sister of the groom. They

were attired in floor length gold sheaths fashioned with empire waistlines and flowing back panel trains. They carried arrangements of bronze and gold spider mums.

Serving as best man was Gary Johnson and Frank Ball was groomsmen. Ushering were Francis Wash and Ray Beder of Escanaba.

Mothers Attire

For attending the wedding and reception the bride's mother chose a 3 piece suit of peacock blue with black accessories. Mrs. Clifford wore a green and blue dress with black accessories and both mothers wore corsages of orchids and carnations.

For her honeymoon trip to Niagara Falls the new Mrs. Hamacher wore a green knit suit with black accessories and a corsage of bronze mums. They now make their home at 712 B St., Iron Mountain. The bride attended Bay de Noc Community College and is now employed at the W. B. Thompson Co. in Iron Mountain. Mr. Hamacher is employed at the Standard Service and Supply Co. in Iron Mountain.

Calvin Choir Debuts Sunday

The Calvin Choir, a newly formed boys' choir at the First Presbyterian Church, will sing for the first time, at the 10:50 a. m. service on Sunday. The new choir is composed of boys in the sixth, seventh and eighth grades and is directed by Mrs. M. H. Garrard, church director of music. The Sanctuary Choir of the church will also sing at the same service and will present the anthem, "The Search".

Tech High Rise Plans Are Funded

HOUGHTON — Michigan Tech has received \$100,000 from the State for the completion of final working drawings for a new high-rise building to house several academic departments. Dr. R. L. Smith, Tech president, said the total project cost is estimated at \$5.9 million, including planning, construction and equipment. Construction cost is to be approximately \$4.5 million. Groundbreaking for the new structure is expected in the spring.

The multi-department complex will house the Department of Chemistry and parts of the Departments of Biological Sciences, Metallurgical Engineering and Humanities and Social Studies. The building will have nine floors—two underground and seven above.

Reception At Dells Honors Jerry Kapnick's

A reception at the Dells Supper Club on Saturday, Nov. 6, was given by Dr. and Mrs. G. H. Bast to honor the marriage of their daughter Jill Anne to Jerry Lee Kapnick of Tecumseh, Mich. The ceremony took place early this summer.

The decor was set in gold and fall colors and a compote of fall flowers flanked by silver candelabra centered the smorgasbord table. Honoree Jill Anne wore a gold and sand cocktail dress with gold accessories and a corsage of gold and white azalea mums complimented her attire. Mrs. Bast chose a white cocktail dress with gold accessories and she was presented with a corsage of white and yellow flowers. Mrs. Kapnick was attired in a white brocade suit also with gold accessories.

Assisting at the reception were Mrs. William Rossa of Milwaukee, mother of Mrs. Bast and grandmother of Jill Anne, cutting the cake; Ginger and Jan Bast served punch and Mrs. Jackie Gardner presided at the silver service. Carol Kapnick kept the guest book.

Relatives and friends attended from Wisconsin, Lower Michigan and Illinois as well as from the surrounding area.

Hints From Heloise

Nylon Net Again To The Rescue

By HELOISE CRUSE
Dear Heloise:
Many sweaters, especially the bulky ones, come without pockets nowadays. Guess what?

Your famous, old, nylon net came to our rescue again!

I make light-weight, but durable, pockets from a double thickness of nylon net, and sew it on the INSIDE of a sweater, overhanging it to the sweater itself. It is not in the least bulky, nor does it show from the outside, and gives me a place for my cigarettes, door key, or tissues, etc., when visiting a neighbor, going for a drive, etc.

Matching seam binding may be used to give the pocket a more finished look, but is quite unnecessary.

My husband had a very expensive sport shirt which he never wore because it had no pockets either. I turned the shirt wrong side out and sewed a nice pocket on the inside, near the hem at the front. One need not necessarily use net for this purpose, but as it is so transparent, it hardly shows.

Ann Murray
You're a doll!
I can't wait to try this one!

Dear Heloise:
I have always broken lots of candles, trying to insert them into the holders on birthday cakes.

When I made a cake for my grandson's birthday today, I dipped the candles in hot water first, and they went into the holders easily, and really stayed put—I didn't break one candle.

Mrs. O. J. Pearson
Dear Heloise:
I cut the cuffs of my worn out rubber gloves into narrow strips, making rubber bands—some wide and some narrow—according to my needs.

These bands will last for quite some time.
Mrs. R. Roy Banker
Dear Heloise:
If people will cover the tops of the flower boxes, which contain dirt and flowers, with one-half inch of gravel, it will keep the dirt from splashing out.

Mrs. Guy Richard
Dear Gals:
Mrs. Richard has a wonderful idea.

One gal I know, covers the soil around all her house plants with colored pebbles, such as one would ordinarily buy to put in the bottom of a fish bowl. She says this not only keeps the dirt from splashing, when watering plants, but also keeps the soil from drying out.

Dear Heloise:
When I put down new linoleum, I usually have some pieces left over.

These are especially good to put in the bottom of the cabinet underneath the sink, or in other cabinets, instead of shelf paper.

It adds a decorator's touch, and can be wiped off easily, thus saving time and energy when cleaning and changing papers.

Mrs. Crawford
Dear Heloise:
Do you know that when you have lost the address of someone in another city, you can go to your local telephone company's office where you will find a library of telephone directories for every city in the country and get the address you need?

The telephone companies furnish this as a public service for which there is no charge. They don't mind your using this free service, as who knows—you may decide to telephone instead of writing!

Lewis C. LeCorgne
Dear Heloise:
The casters on my bedroom furniture slipped out every time I moved the furniture, until I finally came up with the idea of wrapping a strip of adhesive tape around the stems of the casters 'til they fit snugly in the holes.

Sort of first aid for ailing casters, huh?
Mrs. L. C. Munn
Dear Heloise:
I found a beautiful old decanter in Mother's attic, but the cork had gotten down into it.

Is there any way I can remove it, without risking chipping or breaking the bottle?
Jan Sims
Sure is, Jan. Pour enough ammonia into the bottle so that the cork will float. Forget about it for several days, and the ammonia will have "gnawed" the cork down to a size where it can be poured right out of the decanter!

Heloise
Often, during the week, I see things about the house that I want to include with my next wash, such as rugs, dollies, etc., but cannot put them in the hamper just then because they are in use.

I attach a note to my hamper to remind me to include those articles in my next wash. I also pin a note to the ironing board to press a certain article next time the board is in use.

M. W.
Dear Heloise:
Not being one to throw out anything if it can possibly be used, I eyed the plastic ice cube tray my wife was ready to discard.

The thought hit me that it would be ideal for keeping the various sizes of screws, bolts and washers separated in my work shop.

If you don't happen to have an old ice cube tray, the bottom half of an egg carton could be used for the same purpose.

Spalding Home School Holds First Meeting

POWERS-SPALDING—The first Home-School meeting of the St. Francis Xavier Parochial School of Spalding took place Thursday evening at 8 p. m. in the parish hall.

The 4th grade pupils presented a play called "Hasty Pudding", and the 6th grade students presented "Who's Scared of Bears?" They were directed by Sisters Alverna and John Elizabeth.

Sister Alverna gave an interesting talk on report cards, and she suggested reading with them to let them look for their own answers to create a mutual feeling of understanding between the parent and child.

Father Walter Franczek commented on the attendance before closing the meeting.

Refreshments were served by some of the mothers of the parish.

Auxiliary Will Hold Last Meet Of '65 Thursday

Pinecrest Medicare Auxiliary of Powers will meet Thursday, Nov. 18 rather than on the fourth Thursday of the month because of the conflict with Thanksgiving. The meeting will be held in Pinecrest Auditorium at 8:15 p. m. EST, and will be conducted by Mrs. Napoleon LaBonte, Sr., president.

Mrs. Melvin Fazer, secretary-treasurer, will report on the bazaar and silver tea at the open house held recently.

The annual Christmas party for the residents of Pinecrest planned for Sunday evening, Dec. 12, will be discussed.

GLADSTONE

Mr. Erickson Dies; Age 85

Isaac Erickson, 85, North 15th St., died at the Oja Convalescent Home at 4:45 p. m. Friday.

Mr. Erickson had been ill for the past year and a patient at the rest home for the past month.

Born May 10, 1880, in Finland, he was employed as a woodsman for most of his life.

Survivors include several nieces and nephews.

The body is at the Skradski Funeral Home where friends may call beginning Sunday evening. Services will be held at the chapel at 10 a. m. Monday with Rev. Reuben Carlson officiating. Burial will be in Fernwood Cemetery.

Briefly Told

State Police ticketed Joseph Gasperich, 17, S. 3rd St., Gladstone, for no operator's license.

Three boys, ages 11, 12 and 13, were picked up by State Police Friday and turned over to Probate Court for breaking and entering a vacant house in Rapid River. The house was owned by Sophie Cameron.

ARABIC ZERO
The ancient system of numerals used by the Arabs and Hindus had only nine elements, the figures 1 to 9. It was not until the 800s that the Arabs came to use 0 (or zero) as a symbol for no thing or no number.

Fort Wayne South, coached by Bob Gernand, turned in a perfect 9-0 football record this fall, first at the school since 1922. Gernand's team made it by squeaking past city rival Catholic Central, 13-12, in the final game of the season last week. Gernand was head football coach at Escanaba High School in 1955 and guided the Eskymos to a 5-3 record.

Shirley Peltier joined the elite circle of 600 bowlers in Escanaba when she cracked a 610 series this week in the Tuesday Bowlerama League. She spilled games of 217, 213 and 180.

George Brunet of the Copper Country, Upper Peninsula's lone representative in major league baseball at present, will be honored at a banquet in his hometown of Mohawk near Houghton late this month, sponsored by the American Legion post of that small community. Brunet is employed during the off-season as a public relations man for the California Angels.

Five players from Coach Ron Rubick's undefeated St. Ignace team were named to the Straits-Huron all-conference football squad selected by coaches at their annual meeting in downtown Rogers City. Named to the first team on offense were quarterback Barry Peterson, end Dave Donnelly and tackle Doug Doner. Selected to the first team on defense were linebacker Dave Schelhuber and halfback Randy Neelis. St. Ignace is the only Upper Peninsula team in the conference.

Jack Archie, 180 pound senior end from Engadine, was honored with a first team berth on the Eastern Upper Peninsula all-conference team. Co-champion DeFour dominated the first team with four players while Soo Loretto landed three.

Gary Gollakner, dean of Upper Peninsula high school basketball coaches, has three regulars back on his Alpha cage squad this season. Returning from the team that won 6 of 20 last year are Earl Lepisto, Tim Stankewicz and Ted Kurtz, all seniors.

Ironwood, a team that reached the Upper Peninsula Class B tourney semifinals last season, has eight lettermen including four regulars back this season. Starters returning for Coach Gene Farrell in his third season as Red Devil coach are Guy Kangas, Marty Murto, Louie Vlasch and Art Pertile. All are 6-foot or taller.

In their three previous years on the Manistique Emerald varsity basketball team, Jon Cameron and Tom Brawley have contributed a combined total of 1,197 points. Cameron has scored 641 and Brawley 556.

Although he has been out of college since 1960, Mel Peterson of Stephenson still ranks among the greatest collegiate basketball scorers in the history of the sport. Peterson scored 2,522 points in his four year career at Wheaton. The current edition of the Converse Basketball Yearbook lists Peterson 30th among the all-time college point producers in the country.

Five Lettermen Return To Team At Rapid River

RAPID RIVER—The Rapid River Rockets have five lettermen among 11 members of their Central League basketball team drilling daily under the guidance of Coach Bill McGovern.

Back with the team that turned in a 13-6 record last season are seniors Bob Anderson, Dick Forslund, Pat Larrabee and Bill Michieu and junior Gene Bezzi.

Larrabee is the top scorer among the returnees, having tossed in 249 points last season. Anderson contributed 215 and Forslund 99. Tallest of the returnees is Forslund at 6 feet.

Rounding out the squad are juniors Dan Johnson, Gene Mroz, Tom Nelson and Greg Vian and sophomores Allan Pasi and Tom Safford. Vian, Nelson and Mroz give the Rockets considerable height this year as all three stand 6 feet 3 inches.

McGovern lost the services of six players through graduation, including one of the school's all-time scoring greats in Doug Moss. He tallied 486 points last year and had a four year career total of 1,229. Others missing this season are Jim Michieu, Mike Larrabee, Jim Novak, Walter Peters and Fred Wilbee.

The Rockets are a member of the Central League. Rapid River's schedule: Nov. 19—Powers there; Nov. 23—St. Paul here; Dec. 1—Carney here; Dec. 3—Champion there; Dec. 7—Rock there; Dec. 10—Eben there; Dec. 14—Cooks here; Jan. 11—Garden there; Jan. 14—Champion here; Jan. 18—Nahma here; Jan. 21—Perkins there; Jan. 28—Eben here; Feb. 1—Bark River there; Feb. 4—Rock here; Feb. 11—Trenary here; Feb. 12—Perkins here; Feb. 18—Nahma there; Feb. 25—St. Paul there.

Best Defense Will Test Top Offense In Detroit

DETROIT (UPI)—The two best teams in the National Football League will level off at each other Sunday afternoon in Tiger Stadium when Detroit hosts the San Francisco 49ers.

At least they are the best on paper in two of the vital statistics areas of the NFL.

San Francisco boasts the most explosive offense in pro football. The 49ers have piled up 258 points in their eight games played so far this year. Oddly enough, despite the overwhelming point total, San Francisco comes to town with a 3-5 mark and a three-game losing streak.

The Lions reached the position of best in the league in total defense with a freeze they put on Bart Starr and the Green Bay Packers last Sunday. Now 5-3 in league play and tied for third place in the Western Division, Detroit has yielded only 1,999 yards this season.

While the Lions were excelling in their specialty of defense last week, the San Francisco team was piling up 411 yards in total offense and scoring 31 points. But still they lost. That has been the story of their last three games.

Vikings Carry Ball For Rest Of League In Key Sunday Tilt

By United Press International
The Minnesota Vikings will be carrying the ball for the rest of the Western Conference when they tackle the bruising Baltimore Colts in Sunday's key National Football League game.

And as is the case with most unselfish deeds, the Vikings themselves stand to profit most if they upend the division leaders.

A Minnesota victory could turn the western race into a five-team scramble over the final five weeks of the season while a Baltimore success might prove the decisive spur for the Colts' second straight divisional championship.

Baltimore, which whipped the Vikings 35-16 in the first game between the two teams, is favored by 2½ points in the clash at Minnesota.

Entering this vital weekend

of play, Baltimore has a 7-1 record, Green Bay is 6-2, Minnesota and Detroit are tied at 5-3 and Chicago is 4-4.

The Packers, who have scored only 17 points in dropping their last two games, are strong 13-point favorites over the Los Angeles Rams at Milwaukee; Detroit is picked by 4½ points on its home field over the San Francisco Forty Niners and the Bears are rated 7 over the St. Louis Cardinals at Chicago.

Eastern Ratings
In the Eastern Conference, the defending champion Browns are 12½ over the New York Giants at Cleveland, the Dallas Cowboys are 7 over the visiting Pittsburgh Steelers and the Washington Redskins are 2 over the Eagles at Philadelphia.

Baltimore quarterback Johnny Unitas, who injured his back last week, is a questionable

starter against the Vikings. His workouts were limited during the week and a Colt spokesman said, "We may not know until Sunday if he can play."

The Packers may be in for another tough afternoon if quarterback Bart Starr can't snap out of a bad slump. He was thrown 11 times for 109 yards against Detroit last week and had minus yardage passing for the second time in three weeks.

Detroit, getting more work out of quarterback George Izo, has won two in a row and is in excellent position to make a run for the top with three straight home games on tap. However, the Forty Niners have the league's top-scoring offense and thus represent an awesome threat.

Quarterback John Brodie, who was out last week, remains a question mark for San Francisco with a shoulder separation. His replacement is George Mura.

Old Rivalry
The Bears, who won four straight before falling to Baltimore last week, resume an old rivalry against the Cards, who once played in the windy city. The Bears lead in the series, 40-2-2.

Cleveland ripped the Giants 38-14 in their first meeting at New York as Jimmy Brown enjoyed his best day of the campaign, rushing for 177 yards, throwing a touchdown pass and catching a TD aerial. Fullback Tucker Frederickson and quarterback Earl Morrall are expected back for the Giants.

The Cowboys are favored over Pittsburgh even though Steeler quarterback Bill Nelsen enjoyed his biggest day in the NFL against them two weeks ago, tossing three touchdown passes.

Washington has won three straight after dropping five in a row to open the season while the Eagles have lost their last four. Both teams are at full strength.

Marlene Hagge Early Leader

SAN ANTONIO (UPI)—Marlene Hagge, riding a hot streak that has carried her to the third spot in tournament winnings this season, today took a one-stroke lead into the second round of the Alamo Ladies' Open golf tournament.

Mrs. Hagge, winner of two of the last three tournaments on the LPGA tour, cruised around the demanding Pecan Valley Country Club course Friday in one-under par figures—36-35-71.

Not only was she the only person to break par over the heavily wooded 6,350 yard layout, but she was only one of two ladies to match par on the backbreaking first nine holes.

The other was Carol Mann, who put together an even par 72 to stand alone in second place. Andy Cohn was in third place with a one-over par 73.

New Rock Coach Has Only Two Lettermen Back

ROCK—Gene DeKeyser, taking over the basketball coaching reins this season, has only two letter winners on his squad which is composed mainly of juniors from last year's jayvee team.

The veterans are Bob Lippens, 5-11, and John Norden, 5-10, both seniors.

Rounding out the Little Giant

squad are George Micheau, Dennis Verbrighe, Jeff Carlson, Mike Dube, Pat Dube, Jim LaCosse, John LaCosse, Larry Lippens, Jim Lippens and Robert Mankiewicz.

Among the veterans lost through graduation from the team that won 9 of 19 last year were Mike Ruotsola, Steve Rabideau, John Norden and Mike Kulack.

DeKeyser, Rock athletic director who had served as junior varsity basketball coach for three years, stepped up to the varsity post this year to succeed Roman Gill who has left the system. DeKeyser is a graduate of Perkins High School and Northern Michigan University.

The Rock schedule: Nov. 19—Trenary there; Dec. 3—Bark River here; Dec. 7—Rapid River here; Dec. 10—Nahma here; Dec. 17—Eben there; Dec. 27—Holiday tourney; Dec. 28—Holiday tourney; Dec. 30—Holiday tourney; Jan. 7—Perkins here; Jan. 18—Champion there; Jan. 21—Nahma there; Jan. 25—Powers here; Jan. 28—Garden there; Feb. 4—Rapid River there; Feb. 8—Trenary here; Feb. 11—Bark River here; Feb. 22—Cooks here; Feb. 26—Perkins there.

Pistons Edged After Buzzer

By United Press International
The San Francisco Warriors were beaten in regulation time Friday night but buzzed back to win after the game was over.

The Warriors, on the short end of a 102-101 count to the Detroit Pistons, had possession of the ball with eight seconds left in the game. San Francisco got the ball to Guy Rodgers, who was fouled when the buzzer went off.

The little guard went to the line, missed his first foul shot but dropped his next two under the bonus rule to give the Warriors an after-the-buzzer 103-102 triumph.

Wilt Chamberlain and Bill Cunningham combined for 21 points in the second quarter and Chamberlain outscored Boston's Bill Russell 15-1 in the third period to power Philadelphia to 123-114 victory over the Celtics.

Boston's Sam Jones took scoring honors with 36 points and Philadelphia's Hal Greer sank 28. The victory moved the 76ers into first place in the National Basketball Association's Eastern Division.

Elgin Baylor sank a free throw with 14 seconds left to play to give the Los Angeles Lakers a 107-106 triumph over the New York Knicks. Baylor's basket with a minute to go had deadlocked the game at 106-106. Jerry West netted 29 points for the Lakers while Dick Barnett had 31 for the Knicks in the only other NBA game scheduled.

Champ Favored To Keep Crown

SAN JUAN, P.R. (UPI)—Ismael Laguna remained a 6-5 favorite to retain his world lightweight title tonight against former champion Carlos Ortiz, who has doubled his training program for the scheduled 15-round bout.

Laguna won the crown from Ortiz in a one-sided match in Panama last April and predicted Friday he'll successfully defend his title at Hiram Bithorn Stadium.

"I'm in better condition now than I was for the last fight and Ortiz doesn't look any better," Laguna said.

Although the 29-year-old Ortiz has intensified his training since he lost the crown, the Puerto Rican hasn't fought since. Laguna, who at 22 is faster and flashier than his rival, has had several tuneups for his title defense.

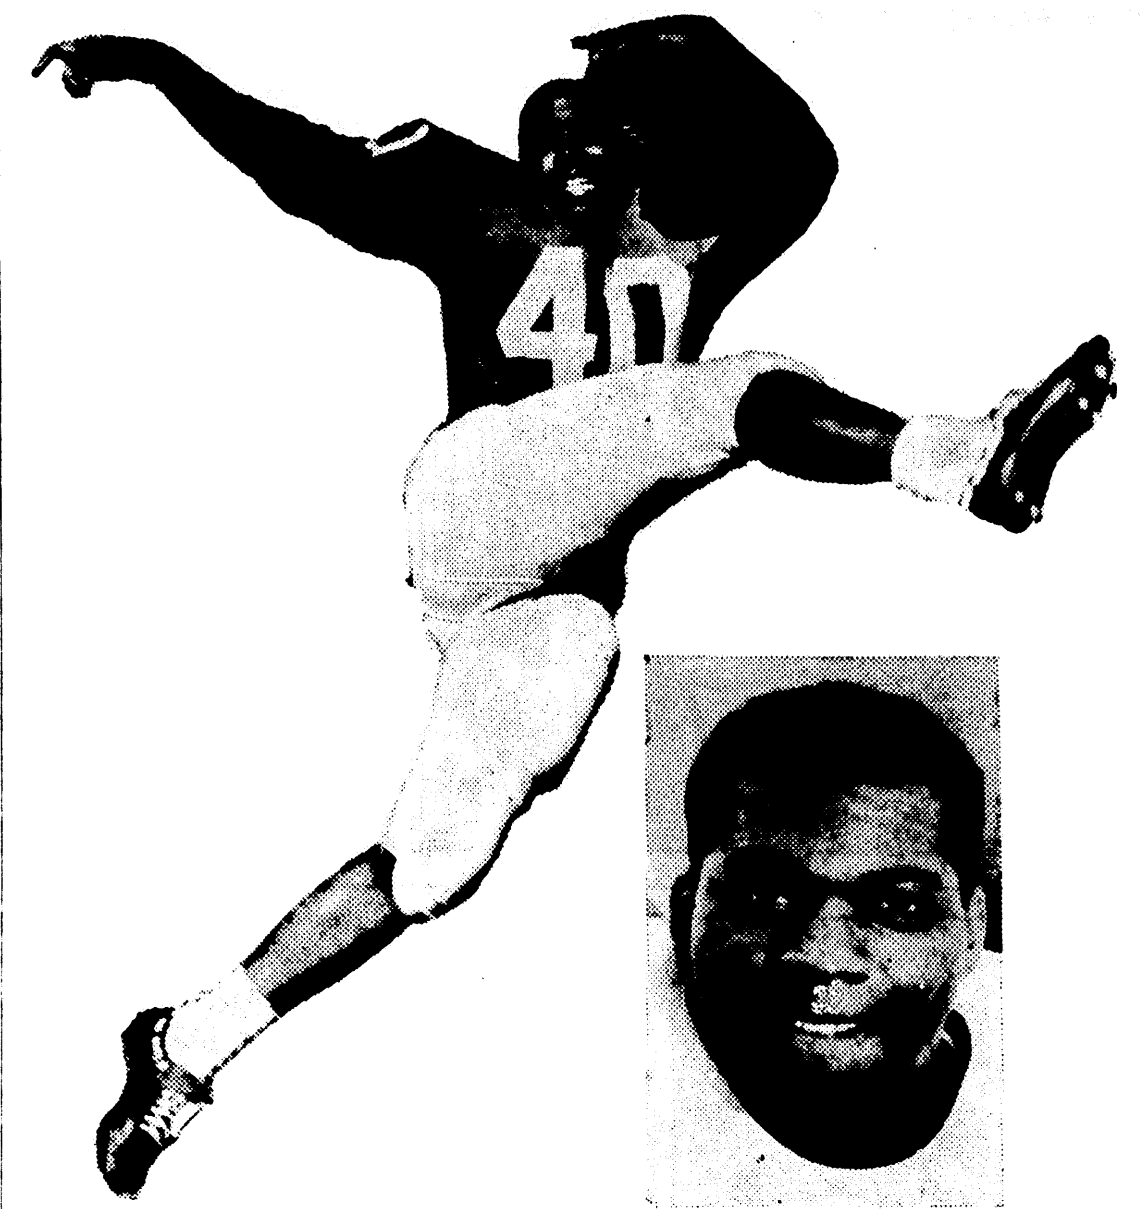

Ortiz' manager, Bill Daly, said the challenger "has the strength to do everything correctly now and knows this is it, the point of no return."

The champ has been promised \$40,000 and Ortiz \$30,000 by promoter Bob Leith, who hopes for a sellout of 22,000 fans.

Junior Bowling Meeting Slated

A meeting to organize a junior bowling program will be held Monday, Nov. 15, at 8 p. m., at the Bowlerama lanes.

All men and women of the area interested in a junior bowling program are invited to attend. The junior program covers boys and girls 12 to 18 years of age.

GOING WEST—Utah State's Roy Shivers and Idaho's Ray McDonald, inset, are two of the nation's best running backs. Shivers is a tailback and McDonald a fullback. Both are among the leaders in rushing yardage.

State's Top Eleven Wins Final Contest

By United Press International
The football season came to a storybook ending Friday night for Michigan's No. 1 Class A team, Bay City Central, as the Wolves defeated fourth ranked Pontiac Central, 14-12.

The win brought Elmer Engel his first undefeated season in 16 years of coaching at Bay City where his teams have compiled a 113-27-4 record.

In other games played in the final Friday night of high school football play, Battle Creek Central, No. 2 Class A team, defeated inter-city rival Battle Creek Lakeview, 39-2.

Middleville whipped Saranac, 53-0, Grand Rapids Creston stopped Northview, 32-7, and Battle Creek St. Phillips upended Galesburg-Augusta, 13-6.

Close to 8,000 persons watched Bay City Central edge Pontiac Central in a game filled with surprises. Bay City was known as the team which could grind out yardage but broke into the lead in the first period when halfback Rollie Auman sprinted 72 yards on the first Wolves' play from scrimmage. Auman then struck over right tackle for the extra point.

Fumble Spoils Attempt
Pontiac Central, not known as an exceptional passing team, came back in the second period to score on a 62-yard pass play from quarterback Jerry Murphy to Don Lavalais. A fumble on the snap from center spoiled the extra point.

Middleville finished its 23rd game without a loss with the 53-0 win over Saranac. The streak, with one tie in the 23 contests, dates back to 1922.

Grand Rapids Creston completed its first undefeated season in history Friday night with the 32-7 win over Northview. Creston wound up with a 9-4 mark, as halfback Dave Ripmaster carried 35 times for 175 yards and three touchdowns.

Creston, long a door mat of the conference, had already wrapped up the city league title.

Scores Three Times
Halfback Carl English led Battle Creek Central to its ninth win without a loss this year as he scored touchdowns on runs of 23, 14 and two yards to help defeat Lakeview, 39-2. English finished the year with 19 touchdowns.

Middleville finished its 23rd game without a loss with the 53-0 win over Saranac. The streak, with one tie in the 23 contests, dates back to 1922.

who have the league's third best pass defense, could give Kemp plenty of trouble and this factor rates them a 1-point choice.

Rookie Joe Namath will be back at quarterback for New York (2-5-1) against Boston (1-7-1), and he will be the target of the most artful blitz tactics in the AFL. The Jets, winless in their first six games, have suddenly come alive with two straight victories and are a 1-point choice to make it three in a row.

San Diego (6-1-2) leads the league in both offense and defense while Kansas City (4-4-1) is second in defense. The two teams fought to a tie earlier in the campaign, but since that time the Chargers have shifted into high gear. The Chargers have the league's leading passer in John Hadl and the leading rusher in Paul Lowe and that should be enough to rate them a 5-point choice.

Denver (3-6) sends quarterback Jack Lee against his old Houston teammates as regular signal-caller Mickey Slaughter nurses a shoulder injury. The Broncos tripped the Oilers (4-4) earlier this season, but Houston is an 8-point pick to rebound this weekend.

Ray Cullen, 23-year-old center who was named the American Hockey League's top rookie last season, followed his brothers Barry and Brian on the Buffalo Bisons.

Oakland (5-3-1) relies on the pass receiving of Art Powell and Fred Biletnikoff and the running of Clem Daniels for most of its offensive punch, but the Raiders came up with a new find last week in halfback Larry Todd, who gained 149 yards rushing. The Raiders,

BIG BOOK

The atlas is quite an armful. Chip had a time lugging it down off the shelf, but he wanted, once again, to look at some of the fascinating pictures.

He's a small boy for such a big book. Maybe he doesn't understand all of it. But it whets his curiosity, and the curiosity of a small boy is truly insatiable.

Even as Chip glances at the pictures, questions are racing through his mind. And to whom will he address these questions? To *you!*

When youngsters ask questions, it is up to us, supposedly "grownup" and therefore wiser, to try to give them the right answers. In this day of sometimes dubious and changing values, that isn't always easy. We must first make sure that we have the true basic answers ourselves. There is no surer way of doing this than by arming ourselves with the faith and wisdom found in the Holy Scriptures and in our churches.
